

**TOWN OF PORT MCNEILL
BYLAW NO. 615, 2010**

A Bylaw of the Town of Port McNeill to authorize the addition of a Climate Action Charter addendum to the Town of Port McNeill Official Community Plan Bylaw No. 490, 1997.

WHEREAS the Local Government Act authorizes a local government to make such amendments as permitted by the Official Community Plan Bylaw No. 490, 1997 and the Local Government Act;

AND WHEREAS the Council of the Town of Port McNeill has deemed it expedient to add an addendum to the Official Community Plan Bylaw No. 490, 1997 to address the Town of Port McNeill's role in reducing greenhouse gas emissions;

NOW THEREFORE the Council of the Town in open meeting assembled enacts as follows:

1. Schedule D is added to the Town of Port McNeill Official Community Plan Bylaw No. 490, 1997 as attached.
2. This bylaw may be cited as "Town of Port McNeill Climate Change Charter Addendum Bylaw No. 615, 2010.

Read a first time the 19th day of April, 2010.

Read a second time the 3rd day of May, 2010.

Read a third time the 3rd day of May, 2010.

Reconsidered finally passed and adopted the 5th day of May, 2010.

**SCHEDULE "D"
To Bylaw No. 615, 2010**

**Town of Port McNeill
Climate Change Charter Addendum
(refers to Bylaw No. 490,1997)**

1.0 Determining Emission Levels

The Town of Port McNeill will support and assist the Province of BC in the creation of a Community Energy use and Emissions Inventory (CEEI), in order to determine and report the level of energy use and emissions by the Town.

1.1 Report Existing Sustainability Initiatives

The Town of Port McNeill will undertake to review and report existing initiatives that currently aide in the reduction of greenhouse gas emissions.

1.2 Develop Initiatives for Reducing Emission Levels

The Town of Port McNeill will undertake to develop an energy management plan which encompasses a range of actions that are transparent to the public, allow for accurate reporting, and are cost effective and relevant to the reduction of greenhouse gas emissions in Port McNeill.

1.3 Encourage Energy Efficient Planning

The Town of Port McNeill will undertake to encourage the planning, design and construction of energy efficient neighbourhoods and buildings to reduce greenhouse gas emissions during construction and occupation.

1.4 Achieve Climate Change Charter Goals

The Town of Port McNeill will strive to achieve the goal of the Climate Change Charter to become Carbon Neutral by 2012.
