

Happy New Year!

I stumbled upon a quote that I would like to share with you as we begin a new year.

We spend January 1st walking through our lives, room by room, drawing up a list of work to be done, cracks to be patched. Maybe this year, we ought to walk through the rooms of our lives...not looking for flaws, but for potential.

- Ellen Goodman

2021 is behind us and 2022 holds a fresh start with brand new opportunities. Let's embrace it as a year full of potential, thinking of all the possibilities!

Mayor Gaby Wickstrom
