Thanks to every business and resident that participated in our Open House on July 11. You were engaged, came to the table with your concerns, but also had suggestions on how we can move forward on the proposed Zoning Bylaw. It was great to see everyone eager to give us constructive feedback!

We will be having another Public Hearing for the proposed Zoning Bylaw on August 8th at 7 PM at the Community Hall. Please join us and let us know if your feedback over the last few weeks was interpreted correctly.

Improving a community comes with hiccups, but when we listen to each other, we learn. This is just the start. Our hope is that the conversations we've begun will continue into the next term.

Thank you everyone!  
*Gaby Wickstrom*
