

Town of Port McNeill,

It has been a pleasure to serve you this past term. I'd like to take a moment to thank staff for the incredible job they have done over the last four years. You've done it with great attitudes and smiles on your faces. I have appreciated each one of you.

To the new Mayor and Council, I extend my very best. Port McNeill, you have been gifted with an incredible, diversely thinking council.

I am certain they will lead our community forward with the thought needed for future growth and do so with respect for one another.

I leave knowing the town is in good hands and I'll be cheering from the sidelines.

With gratitude,
Gaby Wickstrom

Thank You

As we say goodbye to the out going Town Council we would like to thank Gaby Wickstrom, Derek Koel and Ryan Mitchell for their time and effort spent the last 4 years.

BC Hydro will be replacing Port McNeill's streetlights with energy-efficient LEDs to ensure compliance with new federal regulations that require all light ballasts containing Poly-Chlorinated Biphenyls (PCBs) be removed.

These new streetlights will help improve public safety in our community by increasing the visibility of sidewalks and roads at night, as well as help reduce light pollution. LEDs also last longer and require less maintenance. This work should begin on December 5, 2022

Branch 281 Legion wish to inform everyone that Port McNeill's Remembrance day will be held at the Cenotaph at McNeill Road and Campbell Way on November 11, 2022 at 10:45 am

In Flanders Fields

By Lieutenant Colonel John McCrae

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks still bravely singing, fly
Scarce heard amid the guns below.

We are the dead; short days ago,
We lived, felt dawn, saw sunset glow,
Loved and were loved; and now we lie
In Flanders fields!

Take up our quarrel with the foe
To you, from failing hands, we throw
The torch; be yours to hold it high
If ye break faith with us who die,
We shall not sleep, though poppies grow
In Flanders fields.
