

Local Government Climate Action Program Survey Submission Report

Port McNeill

Report generated on Monday, August 08, 2022 09:14 PST

Question	Answer
1. Does your local government or Modern Treaty Nation have a climate action plan or strategy?	Yes
1.a. Indicate the date the plan was adopted.	March 22, 2022
1.b. Include a link to the document (URL) or webpage.	https://portmcneill.ca/wp-content/uploads/2022/04/No.-704-2021-Official-Community-Plan-with-plan.pdf
2. For the calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose corporate greenhouse gas (GHG) emissions?	No, corporate GHG emissions are measured, but not made public
3. For calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose a community-wide emissions inventory?	No, but we are intending to undertake a community GHG inventory in the next two years
4. Is your local government or Modern Treaty Nation tracking progress on its community-wide GHG reduction target?	No

4.e. If no, select all that apply:	"No, but we are planning to introduce a new target in the next two years"
5. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Buildings	LED street lights, utilize heat from ice rink by pumping it into the swimming pool
6. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Transportation	Reduce staff travel and shift to electric vehicles for general use by 2030
7. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Community	Active Transportation Network – additional sidewalks and encourage bicycles.
8. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Climate Resilience	Reduce slippage and water waste on Beach Drive, cleaner environment
9. Which elements of your community's current official community plan (OCP) (or other relevant strategies, policies and/or plans) support the creation of more complete, compact communities?	Encourage walkable bikeable community, more bicycle parking and EV Chargers in cooperation with the Regional District of Mount Waddington.
10. What actions has your local government or Modern Treaty Nation taken to increase community completeness and compactness since 2020 (e.g. urban containment boundary, increasing density by allowing secondary suites and laneway or carriage housing options)?	none
11. What data would be most valuable to your local government or Modern Treaty Nation in decision-making related to the creation of complete, compact communities?	A development Permit Area to promote the protection of streams to meet the Riparian Area Regulations.

12. From 2021 to now, has your local government or Modern Treaty Nation taken any action(s) to address climate impacts?	none
13. Has a climate risk and vulnerability assessment (or similar assessment) been undertaken for your local government or Modern Treaty Nation?	No, and we are not intending to undertake due to lack of expertise/technical capacity
14. What are the three most significant climate hazards faced by your jurisdiction	"Wildfire","Coastal flooding, storm surge events and/or other coastal hazards","Wind, rain, and other storm events","Overland flooding","Water shortage","Extreme cold, snow and ice","Extreme heat and heat stress","Ecological, cultural and/or human health impacts (examples of cultural impacts include threats to identities, languages, and livelihoods; examples of ecological impacts include biodiversity loss, erosion, invasive species, ecosystem changes)"
15. Are you responding to this survey on behalf of a Modern Treaty Nation?	No
16. Based on the hazard you indicated as most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"All Residents"
17. Based on the hazard you indicated as second most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"All residents"
18. Based on the hazard you indicated as third most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"All residents"
19. Select the top three factors your local government or Modern Treaty Nation needs most to increase the capacity to adapt to climate impacts and build community resilience.	"Increased funding","Increased staff knowledge, expertise and data specific to climate adaptation","Increased staff capacity"

20. How does your local government or Modern Treaty Nation ensure equitable access to, and distribution of, climate action opportunities and benefits?	"There are no specific measures in place at this time to ensure equitable access to, and distribution of, opportunities and benefits"
21. Do the climate action plan(s) and priorities of your local government or Modern Treaty Nation align with the climate action plans and priorities of senior levels of government?	"Yes, we align climate action plan(s) and priorities with the federal 2030 Emissions Reduction Plan", "Yes, we align climate action plan(s) and priorities with the provincial CleanBC Roadmap to 2030"
22. Is your local government a signatory to the B.C. Climate Action Charter or a Modern Treaty Nation?	Yes
23. To demonstrate commitment to climate action, climate investments (i.e., matching funding or in-kind contributions) equivalent to 20% of the provincial funding received are required of local governments and Modern Treaty Nations. The intent is to show past, current, and future investments in climate action and create awareness and education.	"Staff time"
24. Please provide your (or survey primary contact's) first and last name.	Brenda Johnson
25. Please indicate your (or survey primary contact's) position with your local government or Modern Treaty Nation.	Chief Financial Officer / Acting Chief Administrative Officer
26. Please provide your (or survey primary contact's) business email address.	cfo@portmcneill.ca

27. Please provide your (or survey primary contact's) business phone number.

2509563111

Local Government Climate Action Program Attestation Form

Instructions for the Attestor:
