Town Log 2025

The setting back of clocks on November 2, 2025 will return us to shortened afternoons and darker evenings.

Please be mindful of pedestrians while driving.

And pedestrians and cyclist, be very mindful of having something reflective on your clothing. Many folks who have the right of way end up in the hospital.

Try to limit those trips on the highway as well. Partly for safety but largely, as well,

to support your North Island retailers at a slow time of year for them.

I have yet to see our local kids suited up for teams sponsored by Costco or Walmart. Keep your dollars north.

# PORT MCNEILL HARBOUR

## CHRISTMAS LIGHT UP!

# TWINKLE TOUR

This year we are trying something a little different and fun at the Port McNeill Harbour!! We are doing a Christmas Light Up! What this means is that we will not be charging hydro for the month of December for customers that decorate their vessels with Christmas lights. This will be limited to one 30-amp service. In conjunction with the communities of Port Alice, Port Hardy, and Port McNeill we are calling this the 'Twinkle Tour',
