

December
Town Log 2025

It is that time of year where some folks stress over material gifts and often lose sight that the most memorable of presents is your time.

Be generous with your time; spend it with family, friends, coworkers and aim for an easy pace.

If you find yourself being stressed, be assured that at this time next year, you won't remember the details.

Our highways and streets are due for some unpleasant conditions and the weather predictions are merely a best guess. Exercise caution and try for daylight hours for travel. As my dear Grandmother used to say,

"When God made time, he made plenty of it".

It is better to arrive late, than dead on time.

Be generous with your heart, your kindness and your time and be SAFE over the holidays season.
