# 2026 TOWN LOG

Things went well on the waterfront of Port McNeill last month. However, none of it could happen without volunteers. And a huge effort by some of our main contractors. New locations for our beloved Burl and Steam Donkey with Kind assistance and funding from the Island Coast Economic Trust. Some donors seek notoriety, and some do good deeds anonymously.

Local companies and dedicated crews showed up in force, Ensuring a safe and efficient placement of these Majestic icons of our forest industry past All the successes of the projects would not have been Realized, without the Steam Donkey skid construction families, low bedders, Excavator operators, Public Works and many, many more.
